Unit 5 Project Plan a Car Wash Fundraiser

Project Description

The goal of this project is to have students plan and organize a car wash as a fund – raising event. **Students need to consider many variables in developing their plan of action.** When planning a car wash, students decide which groups or organizations will receive the money raised, a location for the car wash, supplies needed, and the fee to be charged. They can begin by considering which groups or organizations they want to receive the funds raised and what location will attract the most customers.

A series of exercises throughout the unit will guide students as they work on the car wash.
