

Reciprocal Teaching Role Sheet

Summarize

- What is the gist of what you read?
- What are the big ideas in your reading?
- What was the main or key idea of your reading?
- What details support that main idea?

Clarify

- What sections of the reading were confusing? Why?
- What words are hard for you to understand?
- What parts of the reading were hard for you to read? Why?
- Was there any idea or thought that was confusing to you? Tell about it.

Question

- How does what you read connect to you?
- How does it connect with your experience?
- How does it connect to something you have read or seen?
- Create a question using the following stem:

I wonder . . .

I believe . . .

I think . . .

Predict

- What do you think is going to happen in the next section of your reading?
- What do you think you will read about or learn in the next section of your reading?
- What are some of the clues that help you make this prediction?
